

**REMARKS/ARGUMENTS**

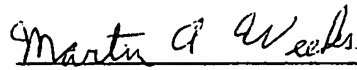

This Supplemental Preliminary Amendment Accompanying a Request for Continued Examination is filed in response to a Notice of Non-Compliant Amendment mailed November 14, 2005.

Claims 21-36 are pending in the application. Applicant filed a Request for Continued Examination and a Preliminary Amendment Accompanying Request for Continued Examination on October 29, 2005. Applicant's attorney mistakenly identified claims 21, 26, 27, 28, and 32 as being "once amended." Applicant's attorney should have identified these claims as being "currently amended" in accordance with the format currently desired by the U.S. Patent & Trademark Office.

**Conclusion**

The Applicant believes that the application is in condition for allowance and asks the Examiner to allow all of the claims 21-36.

If the Examiner has any questions concerning the application, the Examiner is invited to contact the Applicant's attorney at the phone number or e-mail address listed below.
